Dear Parents or Guardians,

Oklahoma requires that all juniors participate in College and Career Readiness Assessment (CCRA) as part of required state testing. Although Oklahoma has officially adopted the SAT as the testing vehicle for the state, local districts can exert local choice in which assessment to use. Grandfield has chosen to administer the ACT instead of the SAT to our juniors in the past and plans to do so again this year. The ACT is more aligned to the curriculum and is more widely recognized by colleges in our region of the country. However, your input in the decision is valuable. Please complete and return the attached survey to the High School office by September 11, 2020. If you have any questions about this choice, please contact me at the High School office at 479-3140.

Sincerely,

Laura Yeager, JH/HS Principal  
Grandfield Public Schools

I have read and agree with Grandfield's selection of the ACT as the local choice for CCRA for Juniors this year.
